

Introduction to the Minnesota Dog Bite Prevention Program

Standard feature of all programs:

Each of the programs teaches these 3 standard concepts:

- 1.) How to approach and pet a dog safely
- 2.) Times when you should never pet a dog
- 3.) How to “Stand like a Tree” or “Lie like a Log” if a strange dog approaches you.

Program	Manual Version	Power Point Short Version	Power Point Long Version	Power Point Variation
